Vandana Overseas
SEMI-PRECIOUS STONE

ABOUT COMPANY

"Semi-Precious Stones - Meaning, color and pictures of semi-precious stones"

Vandana Overseas is a private company which was established in the year 1993, in Udaipur, the city of lakes and fountains, in Rajasthan. We have been dealing into different types of stones, since then we are one of the importers, exporters and processors of semi-precious stones in India. Our high quality range of products are used in many indoor elements like Indoor-Flooring, Table-Tops, Ceilings, Wall-Claddings, Counter-Tops, etc.

On decorum aspects we also go for customization of our range of products which results in increasing the elegance of your property which in a way helps us to make your dream come true. At Vandana Overseas, we understand the need of quality, we take utmost care in supplying our product, which enhance the beauty and lasts a lifetime.

For anything and everything in semi-precious stones we have always been a trusted name and our satisfied clients all over the world are a testimony to our quality, commitment and punctuality. Our wide ranges of clients are in many countries i.e. USA, UK, Egypt, Australia, UAE, South Africa, France and many more.
